should be recognized. FABULOUS history tells of the monster represented as having many was immediately succeeded by another unless the wound was cantera monster of the same sort. It seems to have many heads, and as fast as one is cut off another immediately sprouts out in its place. In March last the Democracy cut several heads off the Radical monster; but at the judicial election in May last these heads were again hissing at the taxpaying people. They were again chopped off at the ballot-box, and if was supposed and believed would never again bud and blossome. But a few evenings lative and judicial departments; not since the Radical monster held a to reward or favor individual men. mostly of negroes, and they hope third party partisans? If Ray will office-holders, to be elected by the negro vote. make a good judge, and Stephens a So it seems the Southern negro good attorney, and Brown a good sumed too much on the stolidity of public reason for making a disturbthe negro. Their rapacity has be ance. Only those which are private trived them. Their insatiate greed and selfish remain to them. for office has alarmed those by whose votes alone the offices are to be obtained. The negroes see that | day says: the proposed division of the spoils means that they are to do the voting and the carpet-baggers to fill the offices. It is the old story of the Indian and the white man dividing the man dividing the one of the bouses of negroes have been perpetrated several infameus outrages upon the persons and premises of the colored people, by masked outlaws and scoundrels, which call for the most summary and condign punishment at the hands of the outraged punishment at the hands of the outraged the properties of the people yet know not how to use th

fruits of a hunting expedition: "I'll law. The bouses of negroes have been the people yet know not how to use, take the turkey and you may take the inmates insulted, men shot and beat-the inmates insulted in the people yet know not how to use, the inmates insulted in the people yet know not how to use, the inmates insulted in the people yet know not how to use, the inmates insulted in the people yet know not how to use, the inmates in the people yet know not how to use, the inmates in the people yet know not how to use, the inmates in the people yet know not how to use, the inmates in the people yet know not how to use, the inmates in the people yet know not how to use, the inmates in the people yet know not how to use, the inmates in the people yet know not how to use, the inmates in the people yet know not how to use, the inmates in the people yet know not how to use, the inmates in the people yet know not how to use, the inmates in the inmates in the inmates in the people yet know not how to use, the inmates in the inmates the crow," said the white man, "or en, and colored women outraged in the you may take the crow and Pli take you may take the crow and Pli take so frequent, within the last month, have The fires of the kiin never go down, the turkey." "It sounds fair enough," said the puzzled Indian, "but somehow you hav'nt said turkey to Indian once." The white Radicals use the negroes to get up the conventions ing by reason of it. and to secure their own nominations, and they say to the negro, "you may ill-disposed individuals are doing all the voting and we'll be this might and they say to the negro, "you may ill-disposed individuals are doing all in an instant, and in another had utvoting and we'll be this mischief, and that the citizens terly disappeared. nominated for Probate Judge have become indignant and threaten County Register and District At- lynch law. What is to hinder the torney, or we will be nominated sheriff from arresting and the law with the utmost fairness. If the hillfor these offices and you may do the from punishing? Let the citizens re- sides about luka be unproductive voting." They do not say nomina-sort to the law and sustain its officers than elsewhere in the South. A Ger-

tion or office to the negro once. There in the discharge of their duty. The man lives not far away on the south are negroes in our midst who claim to following from the Times would lead | side of a gentle declivity whose vinehave a mission, a destiny and a star. to the conclusion that the programme | yard, three years old, promises a mag-Why don't they rebuke this insult, was to let the guilty escape, on conand help the Democracy to defeat the dition they will commit no new lands devoted to cotton production miscrable adventurers who insult them by the proposition to use them as "hewers of wood and drawers of lows that if these outrageous proceedings are not stopped, the citizens of the county will take the matter into their own hands and punish the wrong-deers, no name of iron—if there is no name of the proposition to use them are requested to say to these fellows the who drink rain and river water through all their lives till their bones become brittle as pipe clay and blood become bri gers are to ascend to power? But the negro shall be avenged. may vote, as we know intends to do, for the men whose tool and slave he is; but the Democracy will crush out the party and the candidates who have so foully wronged and hundlisted him. To accomplish this much desired result the Democracy, during the next week must work-work with zeal and energy. After so many triumphs it
